Notice of the Order Confirming the Modification Plans for Reorganization Plans

The above Reorganization Companies filed their respective modification plans for reorganization plans with the Tokyo District Court on July 30, 2021. As a result of the written votes submitted during the period from August 5, 2021 to September 24, 2021, we are pleased to announce that many of our creditors gave consent to the modification plans for reorganization plans as described below and that the Court issued an order confirming the modification plans for reorganization plans as of today.

We would like to extend our gratitude for the understanding and cooperation of all our creditors and those involved in this matter.

From now on, we will work together to put forth our utmost efforts to make repayments and rebuild our companies in accordance with the modification plans for reorganization plans. We greatly appreciate your continued cooperation and understanding in our reorganization.
