Notice of the Order Confirming the Reorganization Plans

The above Reorganization Companies filed their respective reorganization plans with the Tokyo District Court on August 30, 2019. As a result of the written votes submitted during the period from September 6, 2019 to October 25, 2019, we are pleased to announce that many of our creditors gave consent to the reorganization plans as described below and that the Court issued an order confirming the reorganization plans as of today.

We would like to extend our gratitude for the understanding and cooperation of all our creditors and those involved in this matter.

From now on, we will work together to put forth our utmost efforts to make repayments and rebuild our companies in accordance with the reorganization plans. We greatly appreciate your continued cooperation and understanding in our reorganization.
